**Exchange
stimulating ideas
about Alternative
Global Futures
by becoming a
member of the
**Minnesota
Futurists!****

Membership in the **Minnesota Futurists** helps keep you on the leading edge of futurism by linking you with regional strategic thinkers & visionaries from the USA Upper Midwest and from around the world.

As a member, you'll receive **Future Trends**, our quarterly digital newsletter that provides you with a short snapshot analysis of emerging trends.

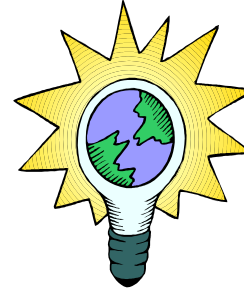

Many of the trend indicators reported on in **Future Trends** are obtained from cutting-edge presentations, conferences and other sources given, written, read or attended by our own members.

Future Trends also keeps you abreast of upcoming dates and topics in our weekly Special Interest Group (**SIG**) series, plus it highlights key conferences of interest to Futurists.

Small Technology Trends e-SIG:
<http://smalltechnology.blogspot.com>

For more in-depth analysis and conjecture, you'll receive our quarterly journal **Futurics**. A scholarly journal, refereed by some of the nation's most respected Futurists, **Futurics** brings you research, keynote speeches, book reviews and other top-notch information to keep you an informed and creative future-thinker.
